- Dedicated to supporting literacy and essential skills in the Yukon
- Offering free family literacy programming at our Family Literacy Centre
- Provide workshops on financial literacy
- Conduct and participate in regional and national research projects to better understand our literacy needs in the north

A vibrant field of pink flowers, likely fireweed, dominates the foreground. The flowers are in various stages of bloom, with some showing their characteristic four-petaled structure. The background features a lush green valley leading up to a range of mountains with patches of snow or light-colored rock. The sky is a pale, clear blue.
